

2019 Utility Rate Summary – Effective October 1, 2019

*Water and Sewer rates are combined in this summary. For a detailed breakdown of water and sewer rates see By-law 18-0029 available online at www.gimli.ca

Urban Area (former Town)

*Water and Sewer rates are combined

Sewer and Water Commodity Charge per cubic meter (m ³)	Quarterly Service Charge	Minimum Quarterly Bill (includes 13.5 cubic meters)	Quarterly Flat Rate Charge (no meter)
\$2.64	\$47.78	\$83.42	n/a

* Calculation Example 1: Minimum bill - $13.5 \text{ m}^3 \times 2.64 + 47.78 = \83.42

* Example 2: Customer used 33 m³ in quarter 1

$$33 \text{ m}^3 \times 2.64 + 47.78 = \$134.90$$

(2018 rates: $33 \text{ m}^3 \times 2.62 + 47.70 = \134.16)

* Calculation method applies to all areas

(cubic meters used multiplied by the commodity charge, then add the service charge)
