

RURAL MUNICIPALITY OF GIMLI

BY-LAW NO. 18-0018

Being a By-Law of the Rural Municipality of Gimli for the purpose of regulating Solid Waste.

WHEREAS Section 232(1) of *The Municipal Act*, S.M. 1996 c. 58 provides in part:

232(1) A Council may pass By-Laws for Municipal purposes respecting the following matters:

- (a) the safety, health, protection and well-being of people, and the safety and protection of property;
- (b) people, activities and things in, on or near a public place or a place open to the public, including parks, municipal roads, recreation centres, restaurants, facilities, retail stores, malls, and private clubs and facilities that are exempt from municipal taxation;
- (c) subject to 233, activities or things in or on private property;

233 A By-Law under clause 232(1)(c) (activities or things in or on private property) may contain provisions only in respect of

- (a) the requirement that land and improvement be kept and maintained in a safe and clean condition;
- (b) activities or things that in the opinion of the Council are or could become a nuisance, which may include noise, weeds, odors, unsightly property, fumes and vibrations.

AND WHEREAS "The Municipal Act" S.M. 1996, c.58 provides as follows:

147 (1) The power to pass a by-law under this or any other Act includes the power to amend or repeal the by-law.

- (2) The amendment or repeal of a by-law is subject to the same requirements that apply to passing the by-law, unless this or any other Act expressly provides otherwise.

AND WHEREAS the Council of the Rural Municipality of Gimli deem it in the interest of the community to regulate the storage and dumping of solid waste,

NOW THEREFORE the Council for the Rural Municipality of Gimli in open session, duly assembled, enacts as a By-Law as follows:

5.0 ILLEGAL DUMPING

5.1 It shall be deemed an illegal act and therefore a violation of this by-law for any unauthorized individual or person(s) to place or cause to be placed any type of ashes, building refuse, bulky wastes, construction and demolition wastes, domestic waste, debris, dirt, garbage, industrial waste, inoperative motor vehicle, refuse or rubbish on any private property, subject to Section 4 of the By-law, that the individual does not own or legally occupy or on public property. Further it shall be deemed an illegal act and therefore a violation of this by-law for any unauthorized individual or person(s) to place or cause to be placed any type of ashes, building refuse, bulky waste, debris, dirt, garbage, industrial waste,

inoperative motor vehicle, refuse or rubbish into any suitable solid waste container, as defined in Section 6 of this by-law, NOT BELONGING TO THAT INDIVIDUAL OR PERSON(S) WHETHER OWNED PRIVATELY OR PUBLICLY.

5.2 No person owning or occupying property shall allow litter to accumulate upon that property in such a manner as to be unsightly or in such a manner that said litter may be blown or otherwise carried by the natural elements onto a public place, public area or private property.

5.3 Persons owning or occupying property shall keep the ditches, sidewalk, lane at the rear of, and/or the boulevard in front of and flanking the property free of litter.

5.4 No person shall load a vehicle used for the conveyance of litter in such a manner that the load may be readily disturbed by vehicular movement or wind unless such vehicle is so constructed as to totally enclose the load or the load is covered by a tarpaulin, netting or other device of adequate size and design so as to totally cover the load and to prevent material escaping from the load.

5.5 No person shall drive or move any vehicle within the Rural Municipality unless such vehicle is so constructed, loaded, or covered to prevent any load, contents or litter from being blown or deposited upon any public place, public area, or private property.

5.6 The operator of any vehicle shall not throw, deposit, drop, or dump from any vehicle or allow to be blown from any vehicle, any refuse except where authorized under this by-law.

5.7 Owners and tenants in lawful control of a public area shall provide litter receptacles in appropriate and easily accessible locations and shall be responsible for the servicing and maintenance of these receptacles.

5.8 Every proprietor of any place where foodstuffs or refreshments are sold in cartons, containers or papers, and the business is carried on under such circumstances that cartons, containers or papers are discarded in the vicinity by patrons of the place, shall keep the premises and all public or private lands, streets, lanes or passageways within a distance of 3 meters from the premises free of all discarded cartons, containers or papers by collecting and disposing of the same at such times and in such manner as shall be satisfactory to the By-Law Enforcement Officer/Designated Officer, Municipal Inspector, Environment Officer or Manager of Public Works for the Rural Municipality of Gimli.

5.9 Where a business described in subsection 4.8 is carried on in any place, all discarded cartons, containers and papers, of a kind used in the business, that are

found within 3 meters distance from the place pursuant to subsection 4.8 shall be presumed to have been used for the sale of goods sold in that place, and to have been discarded by patrons thereof.

5.10 No person shall in any public place or on private property abandon a shopping cart or leave a shopping cart unattended.

6.0 SUITABLE CONTAINERS

Containers for solid wastes shall meet the following requirements:

6.1 They shall be of a type approved by the By-Law Enforcement Officer/Designated Officer or Municipal Inspector and shall be loaded in such a manner that the contents may be easily removed by collection personnel and shall be:

a) Galvanized metallic material or other approved rust-resistant and rodent-resistant material, water-tight, not larger than 762 millimeters (30 inches) in height and 508 millimeters (20 inches) in diameter, or a capacity not exceeding 0.14 cubic meters with a close-fitting lid and handles;

b) A durable plastic container not larger than 762 millimeters (30 inches) in height and 508 millimeters (20 inches) in diameter, or a capacity not exceeding 0.14 cubic meters with a close-fitting lid and handles;

c) Metal containers or bins, as approved by the By-Law Enforcement officer or Municipal Inspector of a size and type suitable for mechanically dumping into collection vehicles. Such containers shall be used in locations where the quantity of solid waste equals or exceeds 1.5 cubic meters per week and where suitable conditions exist for mechanical collections. The bin placement shall be set by the Public Works department of the Rural Municipality of Gimli and be subject to change with changing levels of need.

d) In the case of the containers supplied under Paragraph 5.1 above, the combined weight of the container and its contents shall not exceed 18 kilograms (40 pounds).

6.2 That the Municipality has the right to limit the number of solid waste containers that will be picked up free of charge to no more than three per residential premise.

6.3 All containers shall be maintained in a condition satisfactory to the Designated Officer or Municipal Inspector and shall be kept clean, free of rust and sharp edges.

6.4 The use of garbage can stands on private residential property for the placement of suitable containers will be permitted provided that they do not exceed a height of 1.52 meters (5 feet) and can be opened from the front. The stands must be within a distance of no more than 0.6 meters (2 feet) of the property line. If the stands are further than 1.8288 meters (6 feet) from the curbside or the laneway, the suitable container must be removed from the stand and placed to within 1.8288 (6 feet) of the curbside or laneway on the day of collection. The stands must be maintained and kept in a satisfactory and clean condition.

6.5 When emptied by the crew, the suitable container will have the lid replaced by the crew and placed on the curbside or laneway. It will be the responsibility of the occupant, occupier or owner to replace the suitable container back to its proper position within the property line.

6.6 All grass cuttings and leaves must be in transparent or composting bags and cannot exceed a total weight of 18.144 kilograms (40 pounds).

6.7 All regular household recycling must be in transparent clear or blue bags.

6.8 Further , by a resolution of Council, the requirements for the placement of suitable containers, types and sizes of containers, method of collection and timing of residential or commercial waste collection may be altered for any or all properties in the Municipality from time to time as deemed necessary by Council.

7.0 PLACEMENT OF CONTAINER AND BULKY WASTE

7.1 In the case of property with an adjacent back lane, containers shall be placed in an area on the property being serviced immediately adjacent to the back lane and shall be easily accessible from the back lane.

7.2 In the case of property not served by a back lane, containers shall be placed for collection on refuse pick-up days within 1.8288 meters (6 feet) of the curbside and easily accessible from the street.

7.3 Notwithstanding Paragraphs 6.1 and 6.2, all properties using containers described in Paragraph 5.1c shall place the container at an unobstructed location on the property suitable for handling with mechanical equipment.

7.4 Where in his/her opinion the placement of garbage containers creates a nuisance or is aesthetically offensive to the neighborhood, the Designated Officer or Municipal Inspector shall have the power to direct the owner or occupant of the premises to appropriately screen the said garbage containers or move them to a satisfactory location..

7.5 Containers shall be stored in a manner such that there is no harborage for rodents in or near the containers. Containers shall be held upright and tightly secured so that they cannot be easily toppled and in such a manner that will prevent animals, birds, or other forms of wild life from breaking bags and/or scattering the contents. The owner or occupant of the premises shall immediately clean up any spillage or scattering due to improper storage.

7.6 Ashes are to be stored in suitable receptacles, not solid waste containers, and are not to be mixed with other garbage or rubbish. The owner or occupier of any real property who puts live ashes in garbage containers shall be held responsible for all costs arising from any resulting fire.

7.7 All garbage shall be strained to eliminate liquids and enclosed in sufficient paper or other like substance to completely enclose the contents and prevent any leakage or spillage and shall be securely tied or fastened prior to placement in containers. All garbage shall be enclosed in sufficient paper or other like substance to completely enclose the contents and shall be securely tied and fastened prior to placement in the containers.

8. WARNINGS, ORDERS AND ENFORCEMENT

8.1 That the written order issued by the By-Law Enforcement Officer/Designated Officer shall state a time within which the owner must comply with the order and state that if the order is not complied with within the specified time, the Rural Municipality of Gimli will take action or measures at the expense of the owner.

8.2 That the written order issued by the By-Law Enforcement Officer/Designated Officer shall be served on the owner of the property, either personally or by mailing it Priority Post mail to the last address for that owner recorded on the Municipality's tax rolls; in the event service is carried out by Priority Post mail it shall be conclusively deemed to have been served on the owner five (5) days after it is mailed.

8.3 That any owner aggrieved by an order issued by the By-Law Enforcement Officer/Designated Officer under this by-law may, within 15 days of the order, appeal to the Council.

8.4 That Council may hear the appeal as a committee of the whole, or by subcommittee especially established for this purpose.

8.5 That upon the hearing of an appeal, the Council may:

a) uphold, rescind, suspend or modify the order issued by the By-Law Enforcement Officer/Designated Officer;

b) extend the time within which compliance with the order shall be made; or

c) make such other decision or order as in the circumstances of each case it deems just, and the decision or order of the Council, upon being communicated to the appellant, shall stand in place of the order against which the appeal is made.

8.6 That the costs of actions or measures taken by the Rural Municipality of Gimli to carry out the terms of an order issued under the By-Law Enforcement Officer/Designated Officer are an amount owing to the Rural Municipality of Gimli by the owner of the property and may be collected by the Municipality in the same manner as a tax collected or enforced under the *Municipal Act*.

8.7 That any person who contravenes or disobeys, or refuses or neglects to obey any order made under this By-Law is guilty of an offence and is liable, to a fine not exceeding \$1000.00.

8.8 That where a corporation commits an offence under this By-Law, each Director or Officer of the corporation who authorized, consented to, or knowingly permitted or acquiesced in the doing of the act or omission that constitutes the offence, is likewise guilty of an offence and is liable, to the penalties for which provision is made in Section 8.7 above.

8.9 That where the contravention, refusal, neglect, omission, or failure, continues for more than one day, the person or corporation is guilty of a separate offence for each day it continues. That the authorized staff of the Rural Municipality of Gimli is hereby authorized to enter any lands or premises during reasonable hours to inspect for conditions that may constitute a condition or health hazard or contravene or fail to comply with the provisions of this By-Law

9. That this By-Law shall come into force and effect on and from the date of its enactment.

10. That By-Law 10-0024 of the RM of Gimli is hereby repealed "Amend 08-0029".

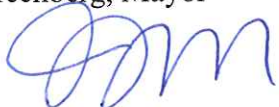

11. That By-Law 9-0023 of the RM of Gimli is hereby repealed "Amend 08-0029".

12. That By-Law 8-0029 of the RM of Gimli is hereby repealed "Solid Waste".
